CHURCH AFFILIATION FORM

Any church wishing to become affiliated with and under the protection of the Assemblies of the Lord Jesus Christ (ALJC) must publicly announce a specially called membership business meeting in accordance with church by-laws. The meeting is to be held for the purpose of considering if the membership desire to become affiliated with the ALJC. References: ALJC Constitution, Article VII. Roberts Rules of Order, current edition.

The ALJC District Superintendent of the district that the church is a member of, and/or is located in will chair the specially called business meeting and will determine by membership vote if the membership desires the church to become affiliated.

The church desiring to affiliate with the ALJC must adopt the Articles of Faith and the Rules of Discipline of the ALJC and be governed by the same. The Pastor and/or church secretary are required to obtain at least one copy of all IRS publications delineating IRS 501(c)(3) requirements and maintain and fully comply with them. ALJC issuance of church affiliation certification places said church under the ALJC IRS 501(c)(3) umbrella, in accordance with 501(c)(3) regulations.
